Mike Gabelmann is a photographer who specializes in nature photography and graduated with Honours in Photography from Algonquin College in Ottawa.

Mike has been taking photographs for most of his life and started with a Kodak Brownie camera given to him by his parents. Over the years Mike has used 35mm, medium and large format cameras. Currently Mike uses a digital SLR camera for all his work.

Mike has experience in many areas of photography including weddings, portraits, model, nature, landscapes, macro, commercial, environmental and journalism. Mike started his professional career as a Parliamentary Photographer in Ottawa.

Mike is active with social media including Google+, Flickr and 500px and actively participates in several local photography clubs, sharing his knowledge and experience with others.

Mike releases his images under a Creative Commons license and does not use watermarks.

Recent publications & exhibitions include:

- 2013 Sooke Fine Art Show
- 2012 Plus One Collection (<http://plusonecollection.com/>)
- 2012 SPCA Wildlife-In-Focus Photo Contest
